### SEAM STEALER

Unique in every way, this dramatic sofa features a channel-quilted, tight seat back paired with bold, trapezoid-shaped arm panels. Tailored to perfection, it's fashionable from every angle. Visit page 48 for more details.

## REFINED TAILORING

Destined to steal the scene in any room, these distinctive pieces are stylish enough to inspire an entire design plan.

### *Design Note*

Proportion is essential to a well-designed space. Choose furnishings such as this chair and a half to give structure and balance to a large, open floorplan.

*Design Note*

Contrast strong linear lines with rounded shapes to keep the eye moving in a space. Consider the room's architecture and layout as you place your largest furnishings. Then, layer in artwork, lighting and accessories to create balance.

## PERFORMANCE FACTOR

For everyday living, there's no greater peace of mind than performance fabrics offer. Designed for active lifestyles, these innovative textiles feature unique construction benefits making them easier to clean and care for over time. Perfect for homes with children, fur babies and red wine enthusiasts, performance fabrics make everyday elegance a reality. All Caracole performance fabrics feature performance technology integrated at the fiber level—to ensure cleanability and longevity—and include a cleaning code with care instructions.

The best part about today's performance fabrics is that you don't have to give up style or softness. Our 62 stylish performance fabric options are available in a wide array of fashionable colors, patterns, textures and styles. Choose your favorite and create the sofa, chair or sectional perfect for your lifestyle.

# DOUBLE IMPACT

## MADE IN THE USA & ECO-FRIENDLY

We are proud to produce our handcrafted custom upholstery in the USA. This means you can order with confidence knowing your personalized upholstered furnishings will be delivered in just a matter of weeks.

As we design our industry-leading products, we also strive to create balance within our community and environment. Our high-quality furniture is built to last generations—which means it won't need replacing or landfill disposal. Our frames are constructed to withstand a lifetime of daily wear and are complemented by new materials made from recycled paperboard overlay, recycled steel springs, and 97 percent-recycled cotton fiber padding.

This commitment to healthful living is also evident in the high-grade materials we choose. Our foams contain plant-based renewables (as a substitute for a percentage of polyol chemicals), and our foams are PBDE-free and manufactured without the use of flame-retardant chemicals.

In essence, Caracole furnishings are crafted for our customers' families and our own.

# AS YOU LIKE IT
